

# THE Bracebridge

We are thrilled to announce that our Kiosk is now open for takeaways 7 days a week from 9am-6pm.

From July 4th we will be opening The Terrace on Fridays, Saturdays & Sundays from 12pm to late. Tables are booked by reservation only and table service will be provided.

In line with government guidelines, we will be using mostly biodegradable plates and cutlery, as well as plastic wine glasses. Booths and tables will be separated by screens to ensure the safety of diners and staff.

Thank you all for the support over these past few months, your loyalty and love is what has gotten us to this point and we are forever grateful.

This was not the Spring that any of us wanted, but we were resilient and now we are hopeful. We are looking forward to welcoming back our family and friends and to enjoying a happy and healthy summer with you all.
